

4 - WHEN?

WHEN?</p><p>You have just been looking at paintings from over 30,000 years ago. Is it possible to say when an image was produced? What is it about certain images which suggests when they might have been created?</p><p>Below are fifteen images from different periods in history. Can you place them in the order in which they were produced? You don't need to think about the actual date they were produced, simply what the time order might be.</p><p>What are the clues in each image that helps you to decide when it might have been produced?</p><p>Put the images in the right order according to you. Check the right solution.</p><p>PREVIEW (Click to enlarge)</p><p>LIBRARY (Click to enlarge, or drag to go to preview)</p> [dkr_notebook_graphics][dkr_prevnext_buttons_graphics prevpage="790" nextpage="916"]<p>Please, use a device of at least 1024px width, to view the Art App</p>
